Incident Action Plan**

Discipline: Hazmat – Technician Level
Effective: 7/5/2011
Revised:
Replaces:

Anne Huff, Fire Chief

I. Objective

- A. Given scenarios involving hazardous materials/WMD incidents, the hazardous materials technician shall develop a plan of action, including site safety and a control plan that is consistent with the emergency response plan and standard operating procedures and within the capability of available personnel, personal protective equipment, and control equipment for that incident.
- B. Given a scenario involving a hazardous materials/WMD incident, the hazardous materials technician shall develop the site safety and control plan that must be included as part of the incident action plan.
- C. The hazardous materials technician shall list and describe the safety considerations to be included.
- D. The hazardous materials technician shall identify the points that should be made in a safety briefing prior to working at the scene.

II. Instructions – Procedures for Achieving the Objective

Given a simulated hazardous materials/WMD incident or scenario involving a facility or transportation setting, the hazardous materials technician shall develop a complete incident action plan (IAP) including a site safety plan. The plan shall be consistent with the local emergency response plan and the organization's standard operating procedures. You will begin on my instruction to start. Do you understand these instructions?

III. Examiner's Note

The hazardous materials technician will not be allowed to review the performance steps at the time of testing.

IV. Preparation & Equipment

- A. Simulated hazardous materials/WMD incident or scenario involving a facility or transportation setting.
- B. ICS forms or ICS worksheet

Note: Standard ICS forms would include:

- ICS 201 Incident Briefing Form
- ICS 202 Incident Objectives Worksheet
- ICS 203 Organization Assignment List
- ICS 204 Division Assignment List
- ICS 205 Communications Plan

- ICS 206 Medical Plan
- ICS 208HM Site Safety and Control Plan
